# WELCOME

Tēnā koe

I am delighted that you are reading this prospectus and considering studying at Pathways College of Bible & Mission. Our college has a long history of delivering quality programmes in theology and mission. Pathways College was created in 1999 as an amalgamation of New Zealand Assembly Bible School and GLO Bible & Mission College. We have a 64-year history of operation and remain faithful to the aspirations of the original founders to prepare students for a life of ministry and service in a broad range of contexts.

Pathways College offers a carefully focused set of academic programmes with the aim of preparing students to have maximum impact in whatever field of service to which God has called them. The teaching faculty and support staff are at the heart of Pathways. As godly professional educators and administrators, they are highly qualified and committed to excellence in all areas.

We are a small college. This allows our faculty and staff to spend quality time with you, guiding you and helping you to learn and grow in your theological understanding and your practical ministry.

We provide a unique setting in which you are equipped for service in whatever vocational path God is leading you. God may be calling you to ministry in a local church or cross-cultural mission setting or He may be calling you to live out your faith in a career in the marketplace.

In everything we do we seek to develop and deepen each student's relationship with the person of Jesus. Our students are instructed in the word of God, encouraged in their walk with God and inspired for the work of God. We are committed to making your time at Pathways as fulfilling and memorable as possible.

As you read this prospectus and consider the place Pathways College may play in your future, may it be just the start of a lifetime marked by an unquenchable thirst for knowledge, understanding and service.

# NAVIGATE YOUR PATHWAY

**Pathways College is a theological college with its office based in Tauranga. The vision of Pathways College is to be a Christ-centred college to equip, support and encourage healthy and vibrant churches throughout Aotearoa and beyond. Our mission is to disciple people in the local church through excellent academics, ministry and mentoring.**

The fusion of theology and action is what Pathways College offers you. As a Bible College, we are committed to giving our students a deep theological base. For students undertaking the internship programme, we also require you to spend 50% of your time learning practically in your fields of ministry. At Pathways, we believe this action-knowledge dynamic is how people truly learn and develop.

If you have been thinking about spending some intentional time to understand God, focus on God's word and understand yourself better, then you have found the right place. Entwined throughout the study and ministry you will do through Pathways College is the commitment to spiritual formation. The academic side of study is crucial and ministry is key. However, through all this our goal is to help you grow in your relationship with Christ during your time at Pathways. We have inspiring educators who love Christ deeply and show their passion for Christ and God's word in every class. We will push you to engage in real life ministry that will cause you

to seek God's help and strength continually throughout the year. Through your Spiritual Formation group we will help you wrestle with real issues of life, faith and theology.

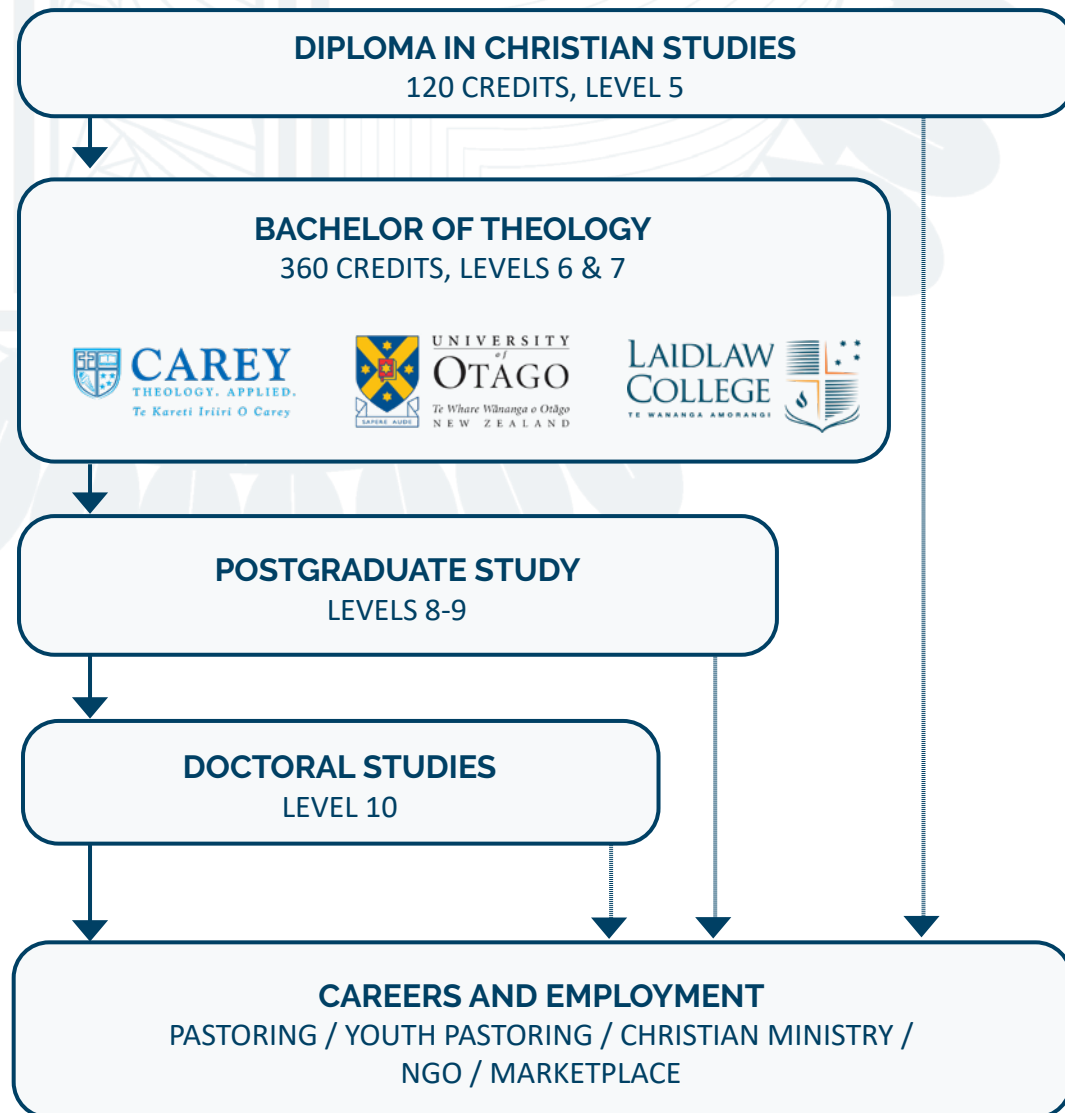

As you consider studying at Pathways we pray that you will allow the Holy Spirit to guide you as you commit to learning and growing in your faith.

**Come join us.**

# STUDY & EMPLOYMENT PATHWAYS

The Pathways programme strikes an ideal balance between study and ministry. Pathways graduates are highly sought after and have a high employment rate following graduation. Our Memoranda of Understanding with Carey, Otago and Laidlaw enable graduates to go onto further study to complete degrees and post-graduate study.

# INTERNSHIP PARTNERS FOR NZDipCS

We have a number of national and local placement partners who would love for you to consider completing your ministry with them. You are not limited to these churches and ministries though, and if your home church has internship supervision and work available, Pathways would be happy for you to be placed there.

# NEW ZEALAND DIPLOMA IN CHRISTIAN STUDIES

*Theological Studies - (Level 5)*

## The Internship Programme

This one-year programme has been designed to blend theory and practice by connecting classroom and context through the internship model. Course requirements, met through the educative guidance of a mentor, the challenges of ministry, formal instruction with peers and directed learning, equip the student for vocational Christian service. Student involvement in a real situation under experienced practitioners enables informed vocational, transitional, and contextual awareness. Church and non-church based Christian organisations (e.g., Christian Camping, Word of Life) offer internship placements.

The Diploma provides a way for a Christian organisation such as a local church to develop work-ready potential leaders through formal education without losing the ability to influence the student's learning and development. Interns also benefit by learning from experienced leaders in a hands-on practical context, while also receiving life-impacting biblical and theological input. The 'how' and the 'why' of Christian ministry are developed together.

This programme uniquely combines internship experience with biblical and theological education through residential block courses and weekly study. It offers a greater proportion of supervised ministry experience

than comparable degree programmes, while still enabling entry into the second year of such programmes.

## The Qualification

The New Zealand Diploma in Christian Studies (Theological Studies) (Level 5) is accredited and approved by NZQA and is a NZQF Level 5 programme (Level 5 is equivalent to the first year of an undergraduate university degree).

## The Expected Outcomes

The Diploma will enable a graduate to

- build biblical and theological foundations while involved in ministry
- gain people-helping skills while gaining practical experience in a church or other Christian organisation
- reflect theologically upon that ministry experience with a mentor
- understand the Bible in some depth and share it with others
- gain relationship skills by serving in a team
- gain planning and participation skills in ministry events
- observe experienced leaders in action and develop leadership potential
- cultivate habits that maintain spiritual life in the midst of action

***"Studying at Pathways was beyond anything I could've expected. I came nervous and I am leaving confident, in both my faith and in my own personal life. I love the amazing community and the memories. I have made friends for life. The biblical knowledge I left with is a life long treasure. This year will definitely go down as one of the most significant years of my life. Thank you, Pathways, and THANK YOU, Jesus!"***

# MENTORING

Pathways students are required to have three mentors.

### Ministry Mentor

A ministry mentor guides interns within their chosen ministry placement and encourages good ministry habits.

### Academic Mentor

An academic mentor ensures students are on track with their assignment quality, their due

dates, and provides academic support and guidance.

### Spiritual Mentor

This mentor is available to support the student's spiritual development throughout their time of study.

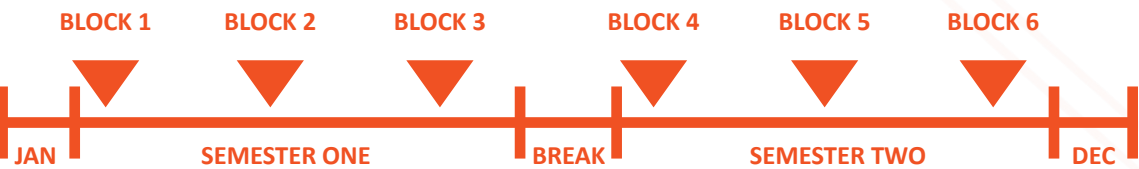

# BLOCK COURSES

Throughout the year there are six Block Courses. Attendance at Block Courses is a compulsory part of the programme. Each Block Course is one week long and Block Courses are held at Pacific Park Holiday Camp in Papamoa. Block Courses are a highlight

of the year's programme as they provide the opportunity to spend time with the other students, have face to face contact with the lecturers and engage in a range of other activities related to this internship programme.

The academic year with six block courses looks like this:

# MINISTRY PLACEMENT

The NZDipCS (Level 5) internship programme provides a holistic educational experience by integrating academic study with placement in a ministry context, such as a church, Christian camp or parachurch organisation. By gaining experience in a ministry setting, students are empowered to put theory into practice and are, therefore, trained for effective real-world ministry.

## Entry Requirements

Applicants must be 16 or older (18 or older for international students) by the start date of the qualification they are applying for, and have successfully completed one of the following:

- NCEA level 2 or higher, or
- A national or overseas qualification equivalent to or higher than NCEA level 2, or
- A New Zealand Certificate at level 4 or higher qualification, or
- The Pathways College Internship Preparatory Programme.

It is a condition of enrolment that students complete a Police Vetting Service Request and Consent form as part of their application: Domestic applicants (and international applicants resident in New Zealand) must give their consent to undergo a process of Safety Checking as set out in the Vulnerable Children (Requirements for Safety Checks of Children's Workers) Regulations 2015. This checking process will include:

- Providing 2 forms of identification, and evidence of any name changes (if any).
- Consent for the College to undertake a Police Vet check, or a Criminal Record Check (as required), and advise the College of any current charges or pending court matters.

International applicants must provide a police clearance certificate from their country of citizenship AND for any country in which they have lived for more than a 12-month period in the last 10 years. This police clearance should be less than 6 months old and be presented at the time of application.

Applicants are also required to consent to the above information gathered as part of the Safety Check to be shared with a host institution for the purposes of practicum placement(s).

**Special Entry:** New Zealand applicants who do not meet the standard entry requirements may apply for Special Entry. This considers a person's life experiences and employment history to determine their suitability to study at diploma level 5 or above.

- Students must be over the age of 20, and submit a Curriculum Vitae, or equivalent, that includes work history, or
- Provide a written reference and suitable recommendation from a past or current employer outlining work completed (minimum 3 months employment), or
- Provide evidence of prior learning that indicates an ability to study at Diploma Level 5.

**Admission:** International students, in addition to the above, must be 18 or older by the start date of the programme they are applying for and meet the minimum English language requirement, which is an Academic IELTS score of 5.5 with no band score lower than 5.0, or its equivalent in accordance to NZQA Rules 13 Table 2 and/or other NZQA accepted evidence of English language proficiency entry requirement.

# THE SCHEDULE

Although the Diploma in Christian Studies (Theological Studies) (Level 5) has traditionally been a one-year full-time programme with 120 credits at Pathways College, from 2022 we are also offering this qualification as a two-year part time programme with 60 credits each year (120 credits total). The outline of the courses for both delivery modes are listed here.

Students need to check the conditions of their entitlement for Fees-Free or StudyLink when choosing the part-time option.

# THE PROGRAMME FULLTIME

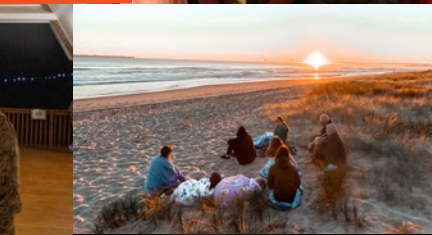

This is a one-year or 120 credit programme consisting of 38 weeks (excluding holidays) with a minimum of 32 hours study per week. Students are held accountable for completing a minimum of 16 hours of practical course work per week within a ministry context. This includes one-on-one supervisor-directed mentored tutorials, course-driven experiential learning, small group learning, and written work to demonstrate competency in the course learning objectives. An additional 16 hours per week study includes attendance at block course lectures (approximately every six weeks), directed study, group work, and self-directed learning. There are 5 holiday/study weeks throughout the year.

# Student Highlights 2021

This year has been so amazing all round. It was so special being able to meet so many incredible people and grow together over the course of the year. It was great being able to navigate theological and ministry with them, and I loved that we all would help out, encourage and pray for each other through all of it. -Andrea Smith

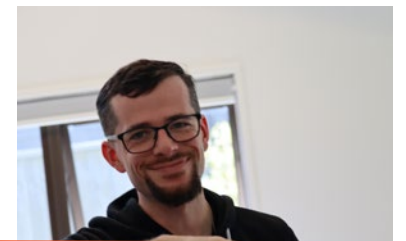

A real highlight for me was the opportunities my internship provided, including being able to start Vessels which is a creative ministry with OMS, and working with an awesome team. This year has helped me grow in my leadership skills, and positively challenged me in lots of areas.

- Sophie Frame

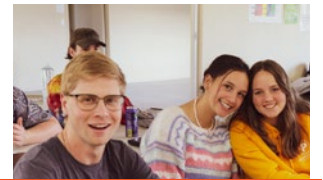

My experience at Pathways Bible College has been epic. The support that I have received from the staff at Pathways has been absolutely amazing. I can not thank them enough for helping me get through this year. One highlight this year is having the opportunity to get to know each student and form another family. I have formed some lifelong friendships. - Sarah Jensen

I have enjoyed every moment of the year. I've really enjoyed getting to know the other students, as well as being able to study together at the Block Courses.

- McKenzie 'Mack' Gapes

My highlights while studying at Pathways would definitely be the block courses. I really enjoyed getting back together with all my classmates and being able to catch up and yarn about anything. - Jorjia Mulvay

Pathways gifted me with an incredible understanding of the Bible and the ability to understand and interpret complex theological concepts. I absolutely loved every second I spent with the other Pathways students. They made this year such a joyful and exciting experience! I adore all the lecturers and Pathways staff who were always so supportive and become some of my great friends.

-Lily Bull

My experience with Pathways has been a really great one and I'm so grateful for all the friendships I've made throughout this year. My spiritual growth is something that Pathways has really helped me to focus on.

- Courtney Bovill

“As we come to the end of the ITB course, I’ve been reflecting on my lecture notes and the breadth and depth of all we’ve covered. I’m so thankful that we have organisations like Pathways committed to teaching and helping people to interpret the scriptures well and aid individuals, like myself, in their walk with God.”

# PATHWAYS ONLINE

## *Learn where you like*

Online learning is another programme available for students to undertake theological study through our online learning platform.

Courses are delivered via Pathways Connect with study support provided by qualified Pathways tutors. The content can be viewed on a computer or a tablet. Fast speed internet access is recommended. Students will need to have access to a word processing programme in order to complete required assignments, access course notes and other online material.

Students can also audit (i.e. not for credit), our course material online through Pathways College OnDemand. Audit students will watch all the video lectures and have access to course notes and readings but do not need to submit assignments.

## *Programme structure*

All of the content (lectures, readings, assignments) have been developed to fit into our user friendly Moodle platform, Pathways Connect. Each course is delivered over a 20-week semester, commencing either in February or July. Each course contains curated course notes, video based material, online PDFs and access to comprehensive databases for online research. Students will complete several assessments and participate in our online community via Zoom and forums to gain the academic credit for the course.

# PATHWAYS COLLEGE SCHOOL OF WORSHIP LEADING

The School of Worship Leading (SoWL) exists to empower you as a worship leader, and to see our church communities engaging in deeper and more transformative worship. Learn more about the biblical, spiritual and practical elements of worship and worship leading from some of Aotearoa’s most experienced worship leaders, both online and at SoWL days.

This programme aims to take someone with a great heart and musical ability and mould them into a competent, passionate and equipped worship leader for their church context. You can complete the online SoWL programme part-time over 1 or 2 years. This allows you to remain based in your local church as you develop in your ministry.

The SoWL programme is for anyone who is worship leading or heading up worship teams in their church, whether you are a total newbie or a seasoned pastor. We recommend you have the full support of your church leadership to enrol in SoWL, as you learn new ideas and concepts that you may want to introduce.

**ENROL TODAY.**

The School of Worship Leading programme is not an NZQA accredited course and is therefore not eligible for student loans, allowances or fees free.

# SoWL COURSES

## **BIBLICAL WORSHIP: THEN AND NOW (5 CREDITS)**

This course will help you understand the purpose and context of biblical worship, including the role of music in Christian worship. Different approaches to leading, rehearsing and arranging will also be discussed and applied.

## **WORSHIP LEADING (5 CREDITS)**

Worship leaders from all around Aotearoa have contributed to this course in areas of leadership, musicianship, team building, technical, planning, confidence and spiritual development.

## **INTERPRETING THE BIBLE (10 CREDITS)**

This course helps you build a method for opening the Bible up so that it can be interpreted and applied accurately.

## **SYSTEMATIC THEOLOGY 1 & 2 (10 CREDITS)**

These courses explore various essential topics by examining some of the fundamentals of Christian theology; God, Humanity and the World and Christ, Spirit and the Church.

## **SUPERVISED MINISTRY TRAINING (30 CREDITS)**

This course establishes a good balance between ministry, academics and spiritual formation, including aspects of supervision practices, goal setting, reflection processes, and songwriting.

# APPLY NOW FOR NZDipCS (Level 5) Internship
